Fred presented his goals for this year:

- Form a Hospitality Committee to greet the speaker and make sure the equipment is set up. Committee members could rotate responsibility. Megan Richardson, Nancy Hause, and Jim Peters volunteered.
- Purchase a laptop computer for use by speakers and Megan and Kate for Quickbooks. Megan will speak to Tobin about laptop requirements.
- Jim Peters has offered to help Scott Wagner with scheduling speakers this year.

- Form a Communications Committee to publish events and post weekly meetings on the website. Kate Campbell, Nancy Hause, and Jim Peters offered to serve on this committee.
- Fully integrate the operation of LKC into LCR.
- Maintain support for the Community Bike Rides and other events we have traditionally sponsored. Bob Swan suggested getting a bike donated to give away to increase participation.
- Increase club membership. Audrey Coleman suggested we investigate family memberships to allow for spouses/significant others to share a membership.
- Bob Swan suggested working with the other clubs in International projects.

Respectfully submitted,
